Hal : Tawaran mengikuti Pelatihan Daring
Climate Change Beijing RTC, 29 Mei - 11 Juni 2023

Yth. Bapak/Ibu (Mohon Periksa Lampiran I)

di

Tempat

Berdasarkan informasi melalui email dari *China Meteorological Administration* (CMA), bersama ini kami sampaikan bahwa *CMA Training Center* (CMATC) sebagai Beijing WMO-RTC menawarkan **pelatihan *International Distance Workshop on Climate Change Mitigation and Adaptation under the Global Development Initiative* pada tanggal 29 Mei - 11 Juni 2023**. Pelatihan ini bertujuan untuk meningkatkan pemahaman peserta terkait perubahan iklim, termasuk dasar ilmiah, dampak dan kerentanan, adaptasi, dan mitigasi.

Adapun yang dapat mendaftar pada pelatihan ini yaitu para prakerawan, analis, peneliti, dosen, widyaiswara, praktisi khususnya dalam bidang Meteorologi/ Klimatologi dengan ketentuan tercantum pada Lampiran.

Sehubungan dengan hal tersebut, kami mohon bantuan Bapak/Ibu untuk dapat menginformasikan kesempatan pelatihan ini kepada seluruh pegawai yang berada di unit kerja masing-masing, dengan mempertimbangkan tugas pokok dan fungsinya.

Sebagai informasi, saat ini pendaftaran pelatihan daring CMATC dilakukan secara langsung oleh peserta melalui *website*. CMATC Beijing tidak lagi menerima permohonan pendaftaran dalam bentuk *print-out/ hardcopy*. Batas waktu pendaftaran pelatihan ini adalah tanggal **25 Mei 2023**.

Selanjutnya, terkait tata cara pendaftaran dan kelengkapan berkas, mohon dapat mencermati ketentuan pada **Lampiran II**. Untuk mengetahui lebih lanjut terkait pelatihan ini, Bapak/Ibu dipersilahkan menghubungi narahubung (*contact persons*) yang tercantum pada pengumuman pendaftaran pelatihan pada **Lampiran III**.

Demikian disampaikan, atas perhatian dan kerjasamanya kami ucapkan terima kasih.

Kepala Pusat Pendidikan dan Pelatihan,

Nelly Florida Riama

Tembusan:

1. Kepala BMKG;
2. Sestama BMKG;
3. Kepala Biro Hukum dan Organisasi.

Lampiran I Surat

Nomor : B/KP.02.00/044/KDL/III/2023

Tanggal : 14 Maret 2023

DAFTAR LAMPIRAN

1. Kepala Pusat Meteorologi Publik;
2. Kepala Pusat Meteorologi Maritim;
3. Kepala Pusat Meteorologi Penerbangan;
4. Kepala Pusat Layanan Informasi Iklim Terapan;
5. Kepala Pusat Informasi Perubahan Iklim;
6. Plt. Kepala Pusat Penelitian dan Pengembangan BMKG;
7. Ketua STMKG;
8. Kepala Balai Besar MKG Wilayah I – V;
9. Para Kepala UPT di seluruh Indonesia.

Lampiran II Surat

Nomor : B/KP.02.00/044/KDL/III/2023

Tanggal : 14 Maret 2023

TATACARA PENDAFTARAN DAN KELENGKAPAN BERKAS

1. Pelamar mencermati informasi terkait pelatihan dan berkonsultasi untuk mendapat persetujuan dari Kepala UPT/ Kepala BBMKG/ Kepala Pusat/ Ketua STMKG. Pelatihan yang akan diikuti harus sesuai dengan tugas pokok dan fungsi unit kerja dan *job desk* peserta. Untuk keberhasilan dan manfaat optimal dalam mengikuti pelatihan, diperlukan komitmen peserta untuk mengikuti dengan sungguh-sungguh pelatihan dimaksud;
2. Pelamar membuat akun dan melakukan pendaftaran mandiri secara daring melalui situs virtual learning CMATC di alamat yang tertera pada pengumuman pelatihan sebelum tenggat pendaftaran dari masing-masing pelatihan. Pelamar yang diterima akan memperoleh surat pemanggilan lengkap dengan informasi tentang *Enrollment Key*.
3. Untuk tertib administrasi, setelah melakukan pendaftaran ke CMATC, peserta juga mengirimkan *screenshot* bukti pendaftaran kepada Pusdiklat BMKG melalui *website* pusdiklat www.pusdiklat.bmkg.go.id dengan mengklik *icon* layanan, kemudian klik *short course* dan pilih pelatihan yang ingin diikuti dengan mengklik daftar. Berkas yang diunggah adalah *screenshot* bukti pendaftaran.
4. Setelah dinyatakan lulus dan mendapat sertifikat, peserta agar kembali melaporkan statusnya kepada Pusdiklat BMKG dengan melampirkan sertifikat kelulusan ke alamat apply.rtcbmkg@bmkg.go.id subject email [sertifikat_nama pelatihan_nama peserta].
5. Untuk mengikuti pelatihan ini, tidak dipungut biaya.
6. **Penting:** Mohon mencermati tenggat waktu proses pelatihan. Berkas tidak akan diproses apabila pendaftaran melewati tenggat waktu.

International Distance Workshop on Climate Change Mitigation and Adaptation under the Global Development Initiative 29 May to 11 June 2023, Beijing, China

PRELIMINARY COURSE INFORMATION

International Distance Workshop on Climate Change Mitigation and Adaptation under the Global Development Initiative will be organized jointly by Academy for International Business Officials of Ministry of Commerce (AIBO) and China Meteorological Administration Training Centre (CMATC), which is also designated as WMO Regional Training Centre Beijing (RTC-Beijing).

Workshop Description

The course aims to enhance the trainees' understanding about climate change, including scientific basis, impacts and vulnerability, adaptation, and mitigation; to assist the trainees to be familiar with international policies and China's responses to climate change; and to promote the capacity building and sustainable development in developing countries by addressing climate change.

Workshop Content

The workshop includes:

- Introduction to the physical scientific aspects of the climate system and climate change, such as observations in the climate system; future climate change projections; causes and attributions of climate change;
- Introduction to the adaptation and mitigation of climate change;
- Introduction to international policies and agreements on climate change and China's national climate change policies;
- Participants' Forum about their understanding on climate change, its impacts and respective policy framework in their countries/regions.

Expected Learning Outcomes

After the workshop, participants are expected to:

- improve their understanding about the physical science basis of climate change, such as observed change in the climate system, drivers of climate change, future climate changes projections;
- have a good grasp of the knowledge of the impacts and vulnerabilities of climate change;

- be familiar with the adaptation and mitigation of climate change;
- understand the international policies and agreements dealing with climate change;
- be informed of China policy framework to address climate change.

Target Audience

Experts and technicians working in the field of climate change and other related fields.

Workshop Organization

The workshop will be delivered via recorded lectures, live lectures, and online discussions. Participants are also invited to give presentations on the Participants' Forum. All the course materials will be uploaded on the website (<http://mooc.cmatc.cma.cn>).

Participants should follow the website instructions to learn from the recorded lectures and join the live lectures. Participants will be encouraged to discuss the topics presented and actively participate in the live lectures. Participants who have completed all the workshop activities as required will be issued a digital certificate by CMATC/WMO RTC Beijing.

Language

The workshop will be conducted in **English**.

Instructors

The course will be given by senior experts from China National Academy of Governance, China Meteorological Administration, China Meteorological Administration Training Centre and other academic institutions.

Application and Participation

- 1) Participants are requested to submit the completed Application Form (<https://forms.office.com/r/anWK6ehVGW>) no later than **25 May 2023**. The accepted applicants will receive the admission notices with Enroll Key endorsed by CMATC.
- 2) Participants are required to finish all the coursewares and quizzes. Participants who have completed all the workshop activities as required will be issued a digital certificate by CMATC/WMO RTC Beijing. And for those who deliver the presentations on the Forums and submit detailed summary reports, the Certificate of Outstanding Performance will be issued.
- 3) Please pay attention to the workshop website for updated information.
- 4) The workshop is free of charge.

Deadline for Application

Participants should finish the online application form no later than **25 May 2023**. The printed version is **not** accepted.
