**VACANCY NOTICE NO: INTERNSHIP/2022/CSG 2**

**DEADLINE FOR APPLICATION: 9 May 2022**

POST	GRADE	DUTY STATION	COMMENCEMENT OF DUTY	NATURE OF APPOINTMENT
Internship	N/A	Geneva, Switzerland	1 June 2022 or as soon as possible thereafter	Internship One year
<b>ORGANIZATIONAL UNIT</b> Cabinet Office of the Secretary-General			WMO is committed to achieving diversity and a balanced workforce. Applications are welcome from qualified women and men, including those with disabilities.	
<b>DUTIES AND RESPONSIBILITIES</b> Under the supervision of the Senior Economic and Societal Impact Officer of the Cabinet Office of the Secretary-General (CSG), the incumbent will support the analysis of economic and societal benefits from national and multilateral investments in Hydrometeorological Services, climate adaptation and early-warning. The incumbent will perform the following duties:  (a) Review reports, research papers, presentations on magnitudes of economic damage from extreme weather and disasters and cost benefit analysis of positive investments in early warning systems, observational infrastructures and information to the public;  (b) Assist with implementation of major projects, in particular aiming at development of economic analysis and compilation of key dataset, including economic financial information and statistics on the economic and societal benefits;  (c) Assist with organization of meetings, seminars and similar consultations;  (d) Assist with visual representation of findings;  (e) Carry out other relevant duties as required.			<b>QUALIFICATIONS</b>  <b>Education</b> Master's degree or equivalent in an environmental technical domain, preferably with specialization in economics and/or financial statistics.  <b>Experience</b> Application of economic principles in technical or development programmes, such as climate, weather and water or related area is an advantage. Experience in analysing economic and societal impacts and benefits is highly desirable.  <b>Other requirements</b> Ability to effectively collect and communicate information. Ability to work in a multicultural environment.  <b>Languages</b> Excellent knowledge of English (both oral and written). Knowledge of other official languages of the Organization would be an advantage.  (Note: The official languages of the Organization are Arabic, Chinese, English, French, Russian and Spanish.)	
<b>Additional Information:</b> Only applicants in whom WMO has a further interest will be contacted. Shortlisted candidates may be required to sit a written assessment and/or an interview.				
<b>Date of issue of vacancy notice: 11 April 2022</b>
