di-

Tempat

Berdasarkan informasi melalui email dari *China Meteorological Administration Training Centre* (CMATC) pada 1 September 2021, dengan hormat bersama ini kami sampaikan bahwa CMATC sebagai Beijing WMO-RTC menawarkan ***International Distance Workshop for Senior Management of NMHSs*** pada **18 – 22 Oktober 2021** secara daring/*online* (mohon periksa **Lampiran 1**).

Pelatihan ditujukan bagi pegawai struktural/ fungsional setingkat administrator/ koordinator bidang/ sub koordinator bidang/bagian yang bertugas dalam bidang manajemen atau teknis operasional atau pengajar yang memiliki spesialisasi bidang kepemimpinan dan manajemen. Tujuan pelatihan adalah untuk meningkatkan keterampilan berpikir strategis dan pengambilan keputusan dalam konteks kemitraan global dan pelayanan MKG serta menguatkan kompetensi kepemimpinan dan manajerial.

Sehubungan dengan hal tersebut, dengan hormat kami mohon bantuannya untuk dapat menginformasikan kesempatan beasiswa pelatihan ini kepada seluruh pegawai di unit kerja masing-masing, dengan **mempertimbangkan tugas pokok dan fungsinya**.

Peminat mendaftar **mandiri secara langsung secara daring** menggunakan proses *self-enrollment* ke CMATC **sebelum 12 Oktober 2021**. Tata cara pendaftaran, ketentuan pelatihan dan kualifikasi peserta dapat dilihat pada **Lampiran 1**. Informasi lebih lanjut terkait beasiswa pelatihan ini silakan menghubungi Ms. LI Pan, Program Manager (HP. +86-10-6840 9467/ email [applycmatc@cma.gov.cn](mailto:applycmatc@cma.gov.cn)).

Untuk tertib administrasi, peserta yang telah lulus dari pelatihan ini agar melaporkan kepada Pusdiklat melalui [apply.rtcbmkg@bmkg.go.id](mailto:apply.rtcbmkg@bmkg.go.id) dengan menyertakan salinan sertifikat.

Demikian disampaikan. Atas perhatian dan kerjasamanya, kami ucapkan terima kasih.

Kepala Pusat Pendidikan dan Pelatihan,

Maman Sudarisman

Tembusan:

1. Kepala BMKG;
2. Sestama BMKG.

**INTERNATIONAL DISTANCE WORKSHOP FOR SENIOR  
MANAGEMENT OF NMHSs  
18-22 October 2021, Beijing, China**

**PRELIMINARY WORKSHOP INFORMATION**

The International Distance Workshop for Senior Management of NMHSs will be organized by China Meteorological Administration Training Centre (CMATC)/ WMO Regional Training Centre in Beijing (RTC-Beijing) and sponsored by China Meteorological Administration (CMA).

**Workshop Description**

The workshop is aimed to enhance the trainees' knowledge of management and leadership in the NMHS and of WMO global strategy, global meteorological governance, global climate change, meteorological service and emergency management, to improve the accuracy and sensitivity of meteorological decision-making.

**Expected Learning Outcomes**

After the workshop, the participants will be able to:

- build up global strategic thinking mode;
- have a better understanding of global partnerships and meteorological service from the view of decision making;
- deepen comprehension of the leadership and management; etc.

**Workshop Format**

The distance training will be delivered via online courseware and discussions.

**Target Audience**

The senior officials and specialists engaged in meteorological and hydrological management or that of other equivalent services.

**Instructors**

Senior experts from WMO, China National Academy of Governance, China Meteorological Administration, National Meteorological Information Centre, National Satellite Center, China Meteorological Administration Training Centre etc.

## **Language**

The workshop will be conducted in **English**.

## **Application and Participation**

- 1) Please visit the CMATC MOOC website <http://mooc.cmatc.cma.cn/?lang=en> and create your own account.
- 2) To register and get access to this workshop, use **Cmatc1018** as the enrollment key.
- 3) The applicants should register for the workshop no later than **12 October 2021**.
- 4) The participants are required to finish all the study components- courseware, questionnaire and forum. Each participant who has completed the training workshop will be issued a digital certificate of the participation by CMATC/WMO RTC Beijing.
- 5) Please pay attention to the training website for updated information.
- 6) The distance training workshop is free of charge.
